PITY THE POOR PARTY - WHO FORGETS

TO SET HIS CLOCK AHEAD ONE HOUR SUNDAY - APRIL 29

SERVICEMAN'S CORNER:

LETTER FROM A SERVICEMAN:

Somewhere in Japan,
April 19, 1951

Dear Mr. & Mrs. Reece:

Sorry I haven't written sooner to thank you for sending the "Byline"--but hope you will accept my apologies. I certainly appreciate it. I haven't been "home" for two years now, and your paper is really Heaven-sent.

The only person I have seen who is from Brisbane, is Art Hutchinson, and he is stationed just six miles from me. I would appreciate it if you could tell me Richard Felton's address, as I haven't seen him for almost three years.

Hoping to see you soon, and thanks again for the Byline---

yours sincerely,
SGT KEITH JOHNSON

****

Thanks, Keith--for the nice letter. I have already answered your letter via airmail, and have included Dick Felton's address, so you two old friends can now have a scribbling good time, firing letters back and forth.

And now for some news for you, and for all the other Brisbane Servicemen--about your friends in Service, just like you:

Two of our nicest guys, the Hatch brothers, Richard and William--are to be stationed together in nearby Hamilton Field where PFC WILLIAM HATCH has been stationed for some time. Brother PFC RICHARD HATCH has been stationed at Bilioxi, Mississippi, for quite some time. Both young Hatch's were in Brisbane over the weekend--with Will back on duty already, and Rick to be here until Friday of this week. Welcome home, both of you! Hope to see you more often in the near future. Also home over the weekend was Marine Bob Tann from Point Reyes, Calif.--Eddy Baron, on leave from the hospital at Vallejo--Eddie Roland from Fort Ord (and don't forget to read about Eddie's wedding in this issue of the Byline) Navy men Don Robertson and Roy Childress, both here awaiting orders. We hear that Don is being sent to Japan, while Roy goes to the Philippines. Of course, we could be mistaken about this. The May Brothers Chuck and Bill--both here on leave, but Chuck is to be stationed at Hunter's Point, while Bill is waiting for further orders. We understand that Red Gregory goes into Service this week, and that Jim Leaskou, of the Brisbane Theater, received "Greetings from Uncle Sam" recently. The number of local boys serving now amounts to more than forty! And snapshots are rolling in for our "Honor Roll" on the Byline window. YE ED.

FOR THE JUNIOR BOOKWORM:

THE WONDERFUL PENNY--by Elizabeth Alice Theis: CHAPTER VII: (Two weeks ago we left young Bunny in Fairyland, where he had just met the King of the Gnomes, and where his companion the "Penny Man" was explaining to the Gnome King why he had brought Bunny with him. Now, go on with the story:)--

The Gnome King said, "Identify your companion", and the Penny Man answered, "A mortal boy named 'Bunny'. I understand the Easter Rabbit is his guardian".

"We shall soon see. She lives not far from here." And the Gnome King issued a hurried order to a menial nearby, who was seen flying away on the back of a huge lady-bug a few moments later.

"In the meantime we shall dine" the King continued. "If you speak the truth, you can soon continue on your journey."

The Penny Man laughed--"It's your duty to protect the entrance to Fairyland, is it not?" and the Gnome King nodded.

Soon the entire company was seated on mushrooms, and were partaking of honey and fragrant roots and grasses preserved in aromatic spices. There was wine made from violets, it's aroma equaled only by it's flavor. Under the influence of this beverage, the Penny Man's cheeks glowed more coppery than ever. "Fine wine, indeed, O Sire!" he hiccupped. The King's eyes glowed with the effects of his favorite brew, and he conceded the compliment with a nod of his head. "Ah, here is the Easter Rabbit!" he said.

And before Bunny's astonished gaze appeared the loveliest and whitest rabbit he had ever beheld. A huge pink bow encircled her throat, enhancing the color of her eyes. And with a grand flourish before the mushroom throne where the Gnome King sat, the new-comer now spoke in a well-modulated voice. "Did you send for me, O Sire?"

"I wish to verify information on this mortal boy. He claims you are his guardian as he was named in your honor." The Easter Rabbit turned to view Bunny, whose heart was pounding in his throat. Suppose someone had made a mistake, and he was never born on Easter Morn at all? In a daze he heard the Gnome King saying--"As you well know, no mortal may enter Fairyland without proper credentials. Will you vouch for this lad?"

The next moment the Easter Rabbit was smiling, as he said, "I will vouch for him. His mother believed in me. Therefore, I am his rightful guardian."

"Enough", spoke the Gnome King, "With such a passport, you can proceed as the Penny Man's Ward." And Bunny's heart swelled with gratitude that he had not tossed the bad penny back into the gutter.

CONTINUED NEXT WEEK.

CLEAN-UP DAY A HUGE SUCCESS:

Art Kennedy reports that an estimated 60 truckloads of trash was hauled out of Brisbane last Sunday when volunteer workers Ted Dagler, Harris Hooper, Mr. High, Milt & Penny Jensen, Dick Schroeder, John Vivalho, Lou Duncan, John & Bea Carrigan, Herb Fann, Mr. Ingram, Jack Smith and Al Adams worked from 10 a.m. to 4:30 p.m. to haul away the trash in the trucks donated by Dagler's, Les's Market, Dandy Market, Bybee Realty Co., Brisbane Hardware, and Casadidio.

Plans are now being made to hold a second Clean-Up day on May 27th. The next meeting of the Improvement Club will be held May 17th. Thanks go to the schoolchildren who painted the "Clean-Up" Posters, and to Mr. Cheslyn for the huge sign which has been seen in the window of the store across from King's. Thanks also to the many volunteers and to the donators of trucks.

THE YOUNGER SET--by Tillie Teen-ager:

PVT Buck Shulda was here on a 25 day leave from the army this month, and left on April 10th. He will be transferred to Europe soon, and the kids of Brisbane were sorry to see their good friend leave.

Red Gregory left this week to go back into the Marines. "We're sorry to see you go, Red--but GOOD LUCK, and hope to be seeing you soon."

A good number of teeners attended the dance at the Legion Hall on April 14, among whom were Pat Henry, Bob Fogleman, Don Johnson, Carolyn Cook, and many others.

Many of us also attended the wedding reception for Eddie Roland and his bride, Kathie Wagner. Among the well-wishers were Mansel Roland, Richard Trantham, Red Gregory, Marilyn Wagner, and many others. The bride and groom looked very happy! Thats all for now--so you next time!----TILLIE TEENAGER.

BRI[illegible] [illegible] MEETING:

At the most recent meeting of the Brisbane Civil Defense Council, held at the Police Office at #30 Visitacion Avenue, on the evening of April 12th--a disappointing fact was discovered when the visiting San Mateo County Director of Unincorporated Areas told the local council that we would not be able to count on the proper help from the county headquarters in regards to CD activities, due to the fact that Brisbane is unincorporated. We cannot expect aid, material, supplies, instruction, or funds locally, but must depend upon phone calls to Redwood City requesting help in case of extreme emergency. We all know that in time of disaster, the communication lines now available to us---from Brisbane to San Francisco; and from San Francisco to Redwood City---would be too long and would entail too much red tape to be of much use to us when needed in a hurry.

After all the preparations and work that has been donn by our volunteer workers, and since Brisbane has kept it's CD status during the five peace years---it seems a shame that we must now come to a full stop because we are not incorporated.

According to John W. Smith, controller Brisbane CD Council, he informed the County Director that in spite of the County's decision, Brisbane would carry on without County aid if need be--because we all know that in case of extreme disaster, Brisbane will become a vital defense area. We cannot wait for the red-tape and delays it would necessitate if we were to depend upon the County's go-ahead signals. We call to your attention the "flop" of the recent all-out county-wide "alert".

WARNING: Read your booklet, "Survival Under Atomic Attack" supplied to you through the local CD office. If we are to depend upon ourselves, we had better be prepared. If you have not yet received your copy of the booklet, please see the local civil defense clerk, Gladys Reece, editor of this paper. She has a few more of these vital booklets available. They are free of charge.

CRASH K.O.'S HIGHWAY LIGHTS:

Two men escaped with relatively light injuries at 12:30 a.m. on Thursday, April 19th, when their car smashed into a steel light standard at Brisbane and rolled down a 15 foot bank onto the S.P. right-of-way.

Fred Cathart, of 271 Victory Avenue, S.San Francisco, suffered concussions and cuts, and is in San Mateo Community Hospital. His uncle, Walter Cathart, of San Francisco, suffered head cuts.

The Calif. Highway Patrol reported that the northbound car left Bayshore Hiway on the curve south of the Brisbane intersection, and smashed head-on into a steel electrolier post. The post snapped off, putting out the amber hiway lights.

VFW & AUXILIARY INSTALLATION:

A very impressive and beautiful ceremony was held at the Trafford Hall last Saturday evening, April 21st--when the WALTER BLAIR POST#9769, VFW and AUXILIARY held it's annual installation of officers. The VFW officers were installed by Leon Durham, while Mrs. Betta Durham installed the Auxiliary officers. Gifts were exchanged among out-going and in-going officers, and a gift was presented to little "Toni" Cole, who was dressed as a tiny "WAC" lieutenant. Bob Tann, USMC, acted as Honor Guard, along with Eddie Baron, also of the USMC. Capt. Blair and his Rangers were on hand to help in the installation. Immediately after the installation ceremonies, refreshments were served by members of the Auxiliary.

Among the officers installed were: VFW: Commander, Clinton Cardoza; Senior Vice, Floyd Watkins; Junior Vice, Leon Durham; Adj., Floyd Watkins; Quartermaster, John Carrigan; Surgeon, Leon Carver; Post Advocate, Bennet; Past Commander, Samuel Cole.

Officers installed for the coming year in the Auxiliary were:

President, Dorothy Cole; Senior Vice, Bea Carrigan; Junior Vice & Secretary, Wilena Watkins; Treasurer, Ann Rumbaugh; Chaplain, Betta Durham; Conductress, Joyce Arzi; Guard, Vera Blair; Trustees, Hazel Hooper; E. Arzi; and Mary Arcotti.

VFW AUXILIARY HOLDS MEETING:

Walter A. Blair Post Auxiliary # 9769 held it's regular meeting on April 24th, at the Firehouse. Two new members were initiated, and received the Obligation. They were Mary Arcotti and Carol Carver. Mrs. Louise Fassett is also a new member and will receive the obligation at the next meeting. Any one interested in joining the V.F.W. FAREWELL PARTY:

Mrs. Bea Camgrose, and Juanita Henderson, both of Burlingame, and Mrs. Maude Mullen of San Bruno called on Mrs. Lorene Harris at her home last week and presented her with gifts in token of farewell because of her two or three week trip to the state of Oklahoma. Lorene and Bill Harris left last Saturday for the much needed vacation trip, as both Mr. and Mrs. Harris have put in a busy year.

The ladies who surprised Mrs. Harris also enjoyed an afternoon of Canasta after lunch and gifts had been disposed of.

LOCAL SERVICEMAN MARRIED TO S.F. GIRL:

In a beautiful ceremony held at the Trinity Methodist Church in San Francisco, Brisbane's Eddie Roland was married to Miss Kathleen Wagner of San Francisco, on Saturday, April 21st, at 2:30 in the afternoon. The lovely bride was dressed in a bouffant white satin and net ballerina length gown, and carried red roses and white bouvardia. Her maid-of-honor, sister Marilyn Wagner, wore brocaded organdie over lavender satin, and carried yellow jonquils.

Eddie's brother Hansell acted as Best Man, and relatives and close friends of the young couple attended the ceremony and the reception held that evening at the California Hall on Polk Street, in San Francisco. The bride was given in marriage by her father, Mr. Harry Wagner.

PVT Rolland had to report back to Fort Ord the next day, where he is stationed at the present time.

DID YOU KNOW:

that there will be a Paper Drive for the benefit of the Boy Scouts, Cub Scouts, Senior Scouts, Girl Scouts, and other Scout organizations in the Brisbane area on May 27th, at 10 a.m?--please start saving your paper now for this drive, as this is one of the FEW ways these youngsters have to raise funds this year.

that a Baby daughter was born to Mr. & Mrs. Dallas Woods of 56 San Benito Road, on April 13th?

that the rumor going around that four of our local youths were convicted of a crime is highly exaggerated, and that all four have been found entirely innocent, and that they have been released?

that Hattie and Jeff Hammond of Trinity Road have out-of-town visitors?

that our chief-of-police, Leo McGowan has been seen directing traffic on the dangerous corners up near the schoolhouse on the lunch-hours, and that somehow, we feel much better now, to know that our kids are safe with Leo there to watch out for them?

RENO ELOPEMENT:

Coming as a complete surprise to their many friends was the elopement and marriage of Miss Shirley Ladd and Mr. Stanley Clancy, both of Brisbane. They were married in a simple ceremony at Reno, Nevada, on April 14th. Congratulations to the happy young couple, and many, many wishes for Good Luck and much happiness! (We understand that they didn't get out of the Chivaree, though---in spite of the elopement!)

LION'S CLUB TO HOLD LADIE'S NITE:

The Brisbane Lion's Club will hold Ladie's nite at the Legion Hall on Wed., May 2nd, with an outdoor barbecue. They will all come dressed in Western Clotnes, in order to start "the ball rolling" towards the coming BRISBANE WESTERN DAYS celebration to be held here on June 8th, 9th, and 10th. Better start growing those beards, men---and you ladies should start fixing up those costumes for the many prizes to be awarded.

RESPECTS PAID TO MEMORY OF LOCAL YOUTH:

Respects were paid to the memory of 1st Lt. Walter A. Blair (AF), the only son of Capt. and Mrs. Vera Blair, lost in action during World War II--by Capt. Blair's Rangers, on Saturday evening, April 21st. The Rangers assisted in the VFW and Auxiliary installation of officers on that evening. The Marine Corps were represented by Cpl Bob Tann, PFC Eddie Baron (holder of 2 Bronze Stars and 2 Purple Hearts received in Korean battle) and visitor Cpl. Richard Grombosky. Ranger 1st Sgt Kenny Walton carried the Post Flag with credit.

GOOFY GOSSIP: by Lester E. Bybee

In regards to the committee of local citizens who made the trip to Sacramento last Thurs. (April 19th), to meet with the State Highway Commission, it seemed to us that we hit a responsive chord. That is the feeling in general. Never, in my own six trips to the capitol city, to meet with the Commission in similar circumstances, have I seen the Commission so receptive. They seemed to realize our need, and said they would hand the matter over to the Engineers in order to find out whether the overpass or the underpass would be most adequate for the good of Brisbane. Then--some means would have to be devised for financing the structure. Besides myself, those making the trip were; Art Kennedy, Dick Schroeder, Al Pistohl, Pres Barnes, Dave Reed, Ray Brown, and Fred Laing. Also present at the meeting were Supervisor Tom Hickey, Senator Parkman (who was on the job!), and Mr. Dinkelspiel, chairman of the Tri-County Freeway Committee.

In regards some of our local traffic problems---consider this. There are two signs in front of the local Postoffice which read "No Parking Between Signs"--placed there for the benefit of the P.O. employees and those who pick up and deliver the mail. Very seldom does one stop to pick up the mail without finding the space already occupied. The mail is picked up and delivered four times daily. We can't help wondering what has happened to law enforcement in our Police District. The acting postmaster tells us that she has made complaints to the proper authorities, but has received no results. Where is our law enforcement officer when this parking space is full? From reports we have received, we are still wondering when the police is on duty. No one seems to know when or where! Perhaps the new Police Commissioner can get things organized, and will let the people know when and where they can get in touch with our law enforcement officer!

Yours for a BETTER BRISBANE!

Members of the class who made the trip included; Darla Stockton, Jean Fusshauer, Sandra Hart, Carol Ann Ledbetter, Marilyn High, Linda Jorgensen, Saundra Rewak. Kathleen Hansen, Kay Lee Miles, Jeanita Bean, Susan Brewer, and Mrs. Donald Jorgensen. Mrs. William Brower and Kathleen Brower also accompanied the happy group.

WHAT'S THE SCORE???--by RON WRIGHT

The Jeff Varsity baseball team tied Burlingame in a pitcher's duel between Randy Curtis of Burlingame and Ed Cherrigno of Jefferson, ending up 1 to 1--with the game called because of darkness.

The Jeff Frosh-Soph lost their 1st game of the season when Washington Hi beat them 3 to 2. We also lost to Serra by 2 to 1. In the game with Washington, Jeff's second string was the starting line-up, but in the game with Serra, with Serra's Junior varsity, there was no excuse. Jack Allain, former pitcher from Jeff was in rare form that day--giving Jeff only 3 hits.

The Jeff track team lost to So.S.F. by the score of 60 to 51. John Bollinger of Brisbane picked up 11¼ points by coming in first in the 220 and the 880 and the 880 relay.

That's all for now. See you next time.

CORRECTION: In last week's issue we had an item about a local youth wounded in Korea. We spelled his name "CORXELL", as printed in the Examiner. His mother, Mrs. Frank Kaherl, of Brisbane Auto Court, informs us that his name is PFC JOHN CORYELL, and that he was wounded when a piece of shrapnel lodged in his leg muscle. He has been promoted to Cpl., and is expected to come home on leave in 30 days.
